Thomas More High School is a community within which the staff and students interact and in the process grow and develop intellectually, emotionally and spiritually both as individuals and as social beings.

areas of learning

**The meanings
get tossed and the
teachings get tossed**

**and you don't know
what
you're going to do next**

**A definite
metamorphosis
takes place**

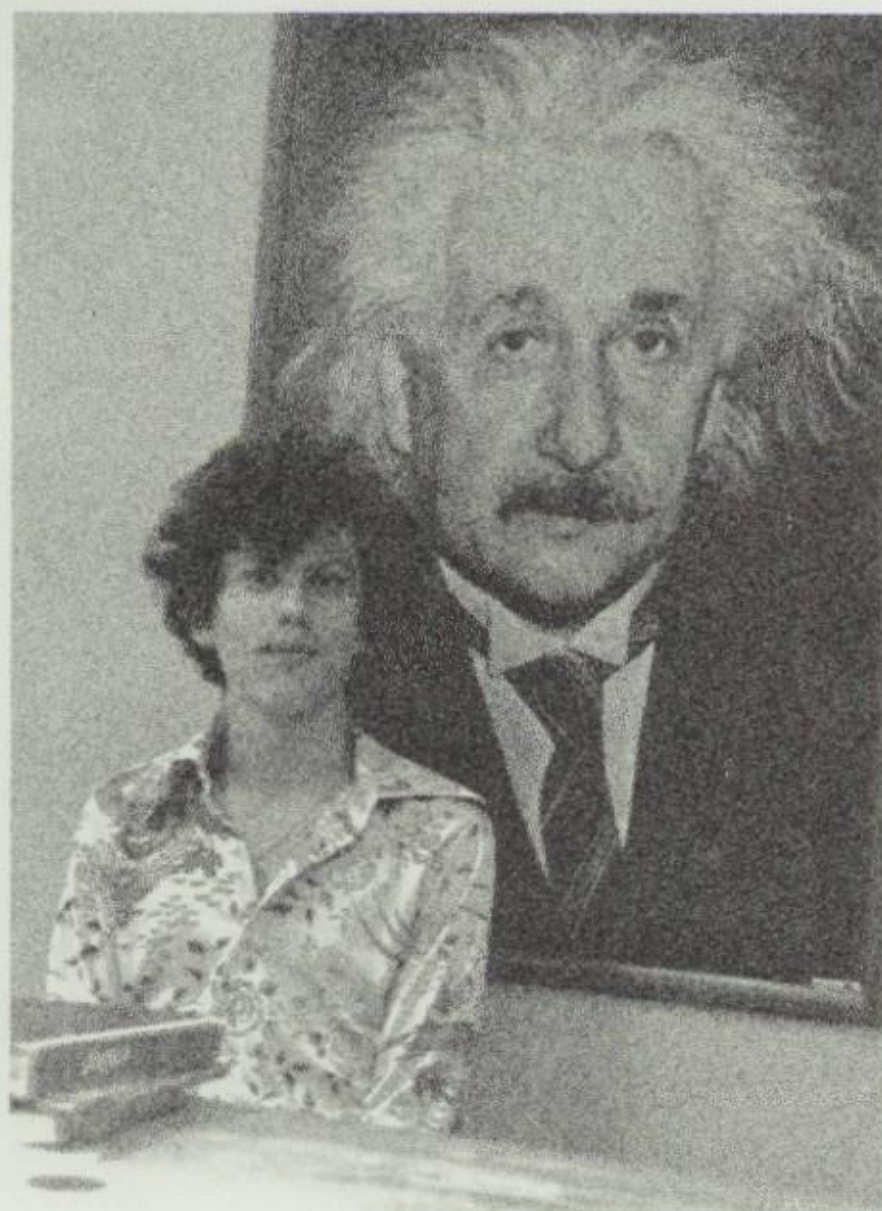

The community offers a set of values which is humanistic and Christian. This involves a method of educating which continually evaluates itself and the process of growth.

Limits of the mind are expanded by a diverse academic program. Generally, the factual and conceptual ideas which are taught will be applied in the future.

Interaction

Education occurs best in a community setting, where the students live in and interact with a community of learning.

people as persons

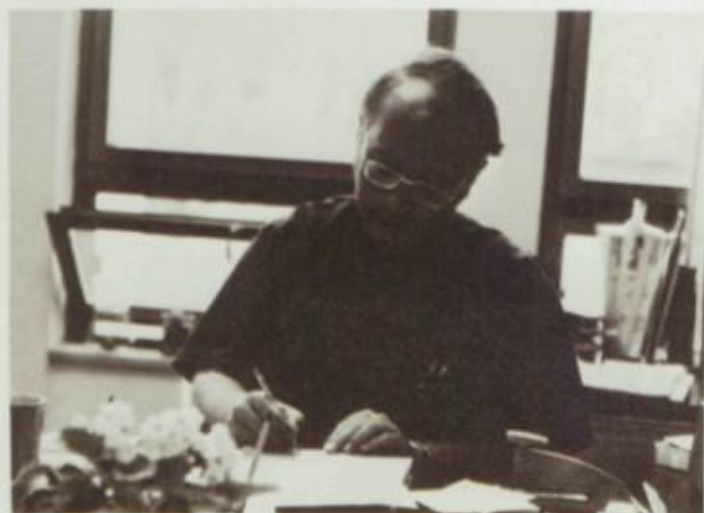

and it's telling you

**love when you can
cry when you have to**

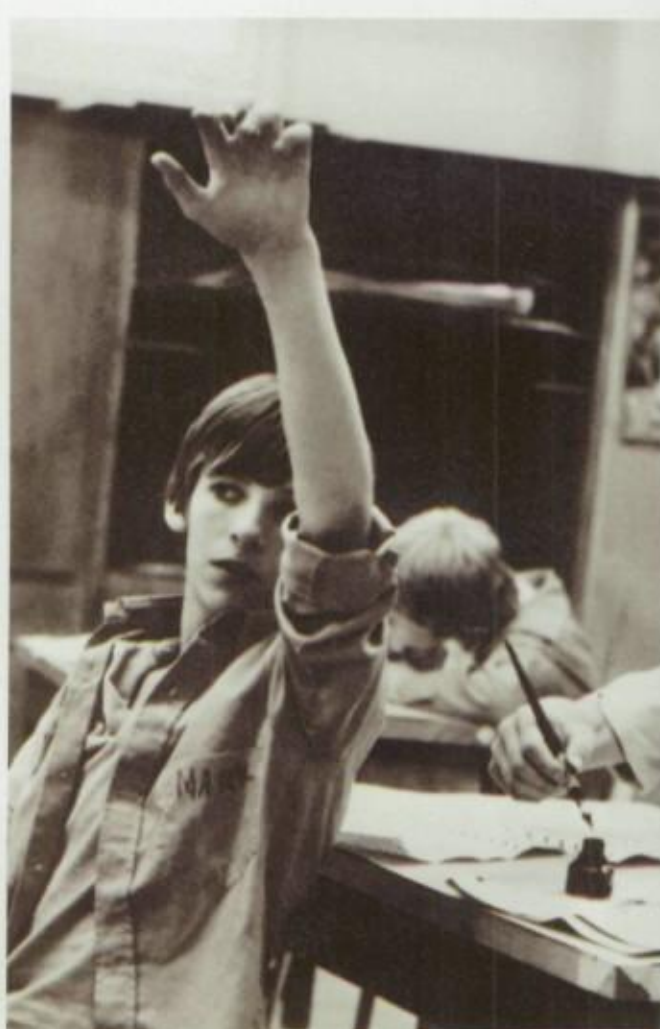

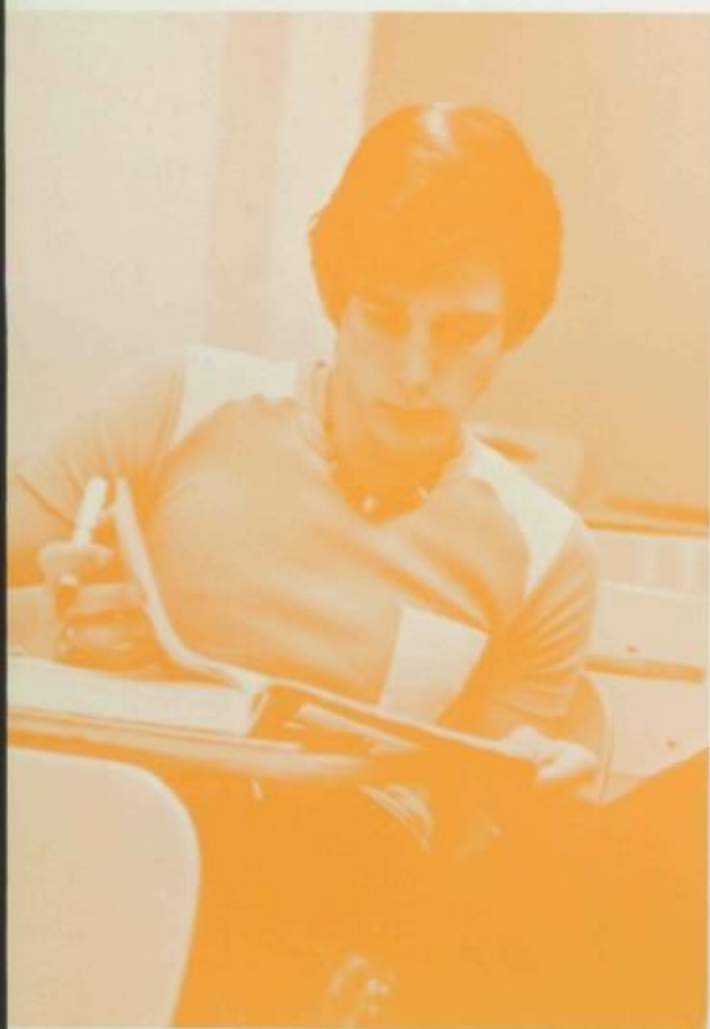

**be what you must
that's part of the plan**

The vitally important development during high school, the creation of attitudes and opinions, will have been affected by the religious program that exists at Thomas More. Such moral dispositions are also formed within the school atmosphere.

a bright future

**I'll await

The experiences provided by the courses and activities help to prepare the students for a satisfactory and productive life for themselves, their families and the larger community.

**Attitudes are affected
by Curriculum**

As a young man comes to know himself and his abilities he is better able to find his place in society. The interactions which occur between the student and his peers foreshadow similar future relationships.

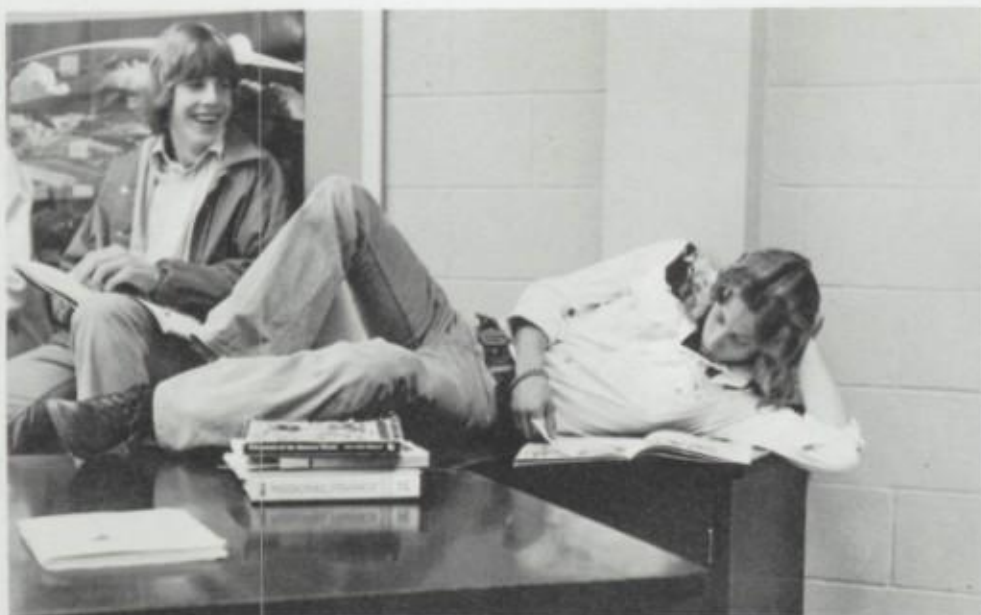

The school personnel makes available their human resources of values, knowledge, experiences, feelings, skills, time, through interaction with the students in formal and informal ways. This calls for educators who are professionally competent, who understand young people, who are willing to become more human and Christian.

Although a senior matures in many respects while at Thomas More his growth is far from complete. High school is instead just a beginning. It is merely part of a greater plan.

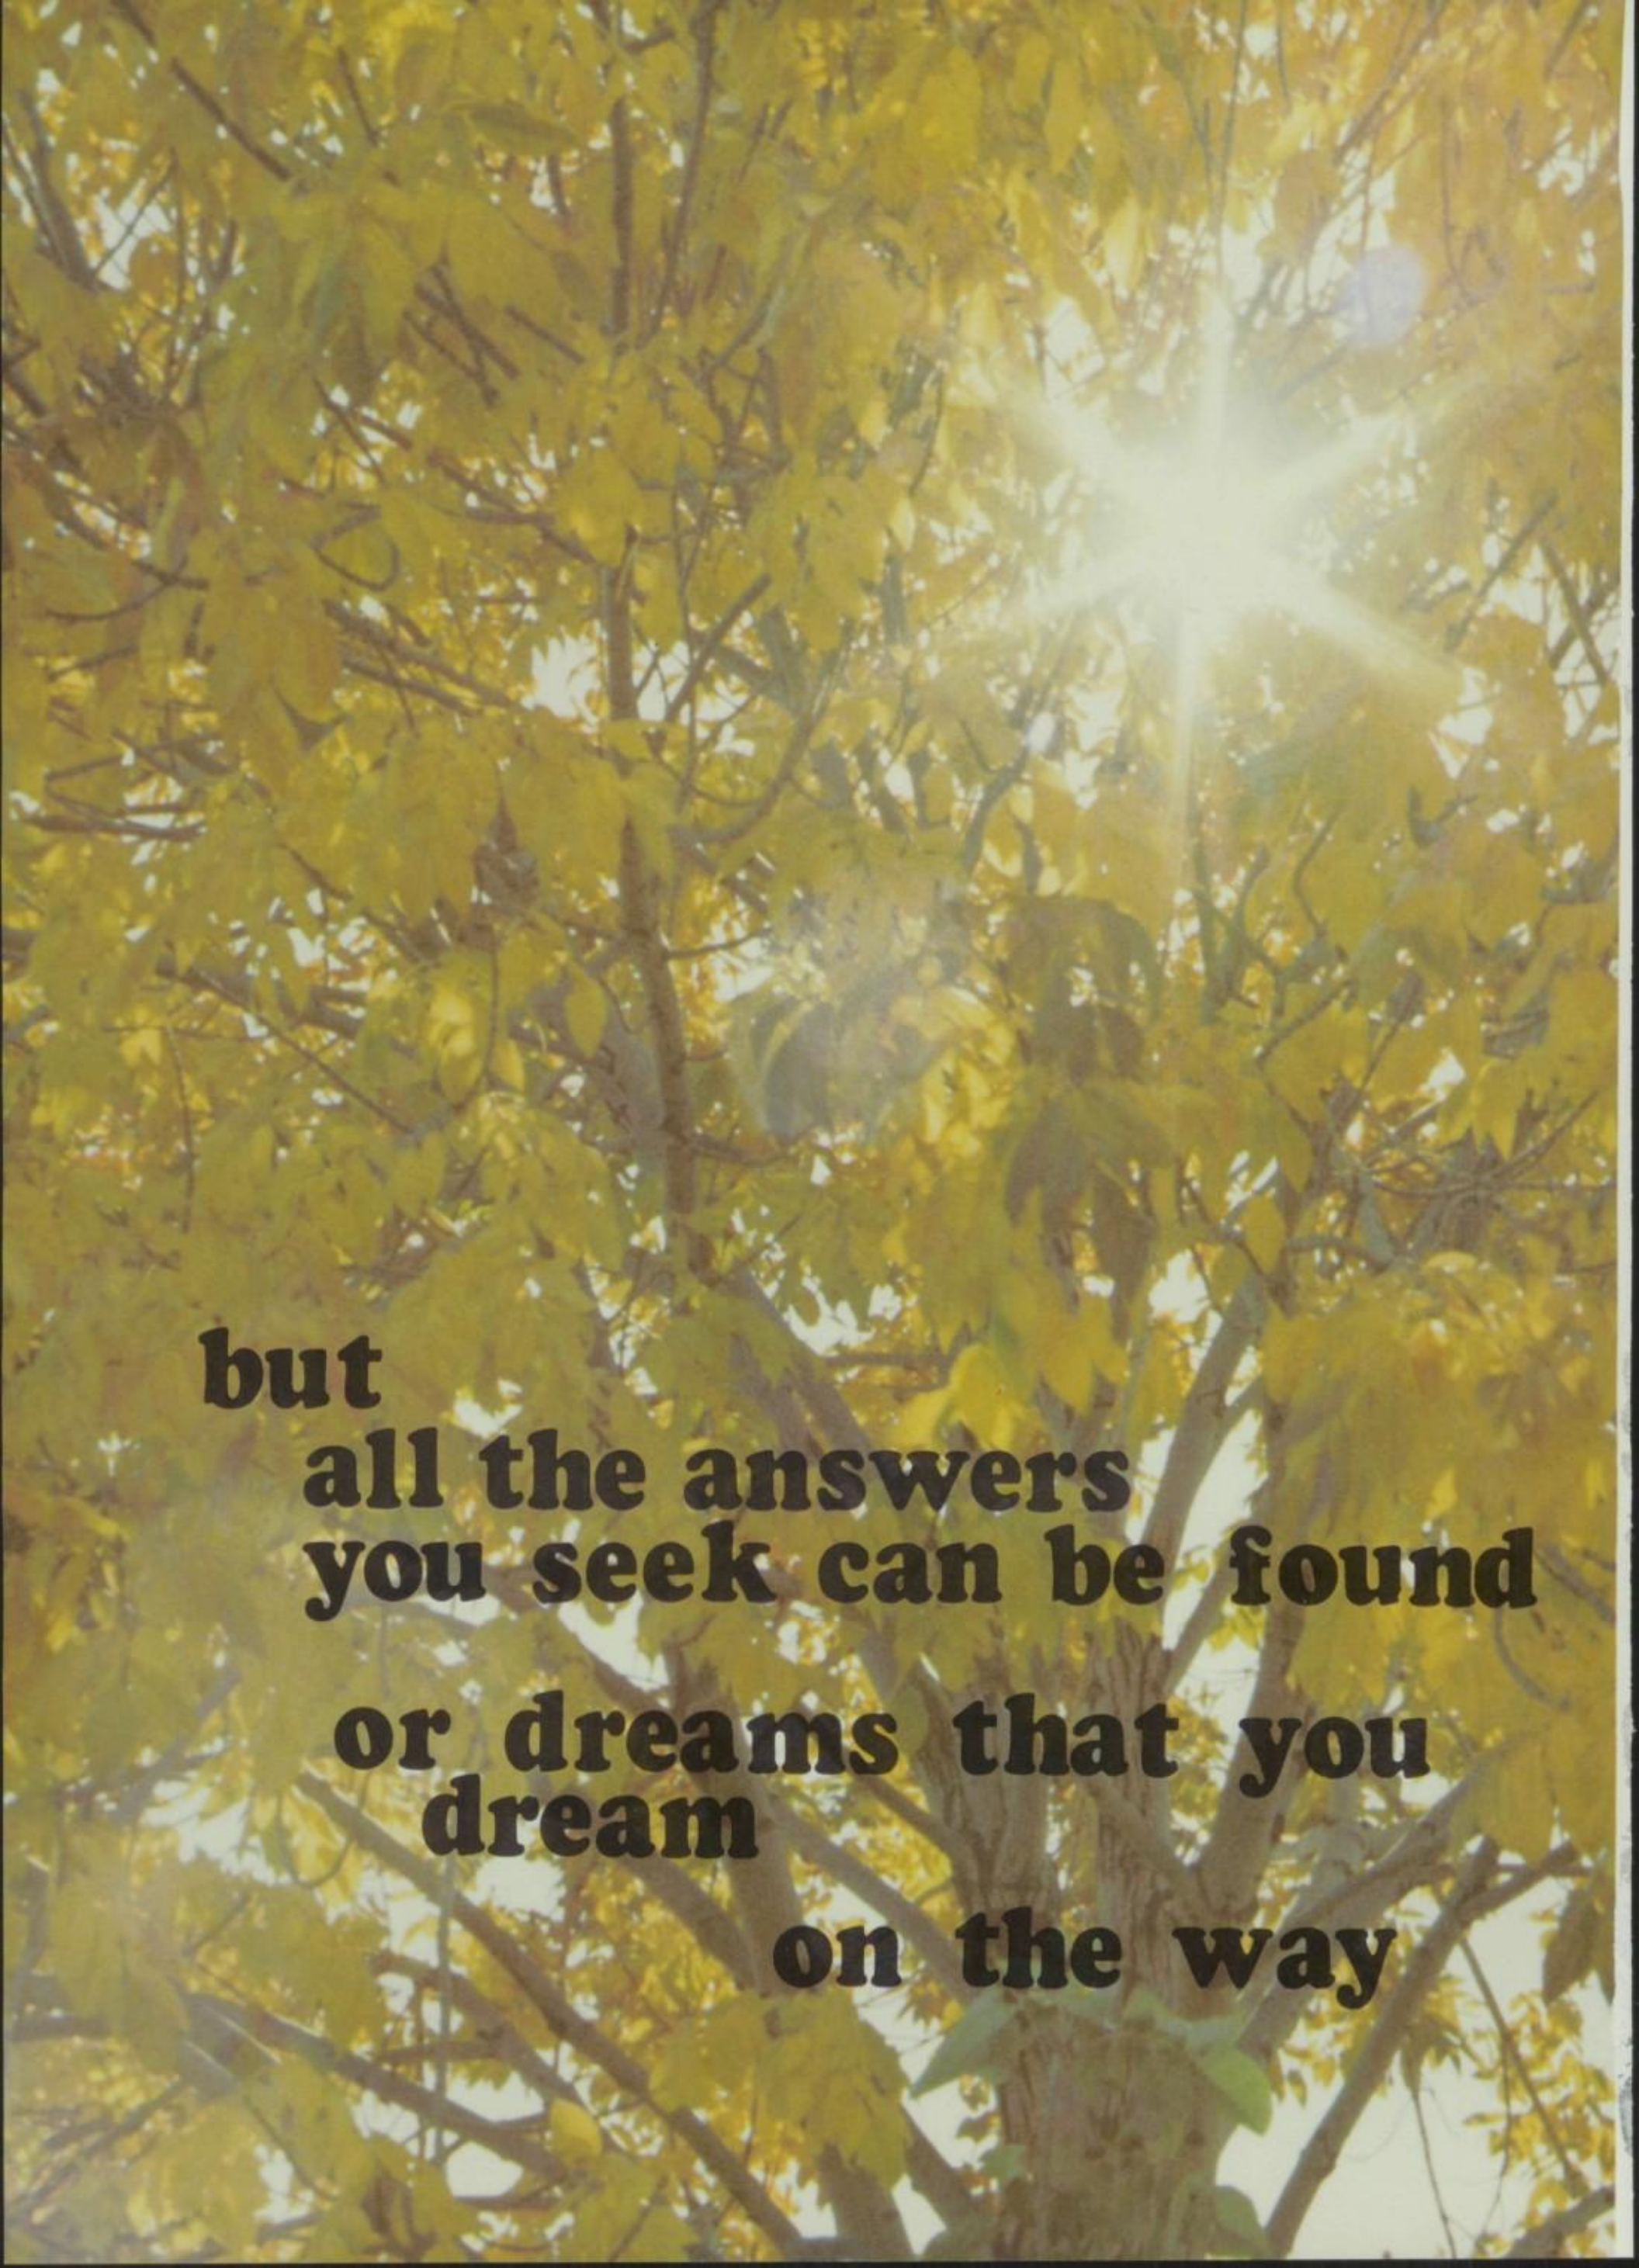

of a plan

Thomas More High School provides a certain direction governed by its common purposes. This direction however should balance with the essential traits of a living community-love, trust and a necessary flexibility and openness to meaningful change and innovation. Through such a process we learn to live in and influence a changing and adapting world on the basis of what is meaningful and of value in our heritage.

Achievements of the class of 1977 were indicative of the talents the seniors possessed. Such accomplishments were diverse and wide ranged. Exemplary of the graduates' success were their contrasting achievements.

A number of students scored exceptionally high in scholastic tests and competitions. This made the opportunity for advanced education more easily accessible. Other seniors were quite successful in the arts. Some had their work displayed in local exhibitions. Musical excellence was shown in regional and state competitions. The seniors also demonstrated their skills in the field of athletics. Conference championships in both football and basketball indicated the physical prowess many of the students possessed.

Though most seniors did not receive such public recognition they did have natural talents developed at Thomas More which could be utilized in the years ahead.

SENIOR DIVISIONAL COUNCIL: Shawn Ashley, Ted Gronski, Paul Jaeger, Chris Wodushek, Bob Christianson.

Under the moderation of Mr. Tom Glyzowski the Senior Divisional Council completed a number of tasks. Spiritfest games were set up along with other preparations. Homecoming activities were also planned through the council. This included Field day, a pep rally and court announcements. After organizing a dance Thomas More's second annual Blood day was held. Though participation was not as high as expected over 30 donors gave blood. The Senior Council concluded the year by making final arrangements for graduation.

Cavaliers Capture State Title

The 1976 varsity football squad completed an extremely successful season by winning the WISSA Class A championship. The year began with impressive wins over Pius, Norridge Ridgewood (Ill.) and Dominican. In each game Thomas More's opponent was held to a single touchdown.

After a loss at the hands of Wauwatosa East the Cavaliers defeated a tough St. Catherine's team 40-20. With a good line protection quarterback Jerry Boll was able to complete 10 of 17 passes. On October 8 a sharp offense provided the Homecoming victory over Milwaukee Lutheran. The game against Metro Conference rival Marquette was to be one of Thomas More's most important. Exceptional defense, including a key interception in the fourth quarter, led to a narrow 13-12 Cavalier win.

Unable to score on a rain soaked field the Lancers allowed the Cavaliers a single touchdown. With the Kenosha victory the TM squad captured the Metro Conference title. The regional play-off was held at Hart Park against Marquette. The team shut out the Hilltoppers 7-0. Thomas More's touchdown, a four yard run by Mario Martinez, completed a 13 play drive. Cross Country Team Takes Metro Conference, WISAA Class A Titles

"In meets we looked good, but in the Conference Meet we looked great." This remark made by Cross Country coach, Norb Wishowski, after the Metro race was an accurate description of the '76 season. The harriers prepared throughout the summer and began competition with the Marshfield Columbus Invitational. Putting two runners among the top ten they placed second to La Crosse Central. At the first home meet Thomas More defeated last year's WIAA Class A champions, Racine Case. The Cavaliers were successful in their next two invitations, the Rhinelander and Highlander, taking first place at both. Continuing the winning streak they won their own invitational at Greene park by a narrow two point margin. At Johnson park, September 25, the Thomas More runners again swept first place away from five other competing schools at the Angel Invitational.

Five TM Runners Among Top Ten In State Meet

However, at the Blackhawk Invitational in Grafton October 2 the harriers slipped to third place. Unable to gain momentum they took the same place at the Aquinas Invitational. Yet the Cross Country team remained optimistic in the face of two rather poor showings. The Metro Conference meet lay ahead for a team which held the championship since 1973. The Cavaliers literally "ran away" with the race accumulating only 25 points to second place Waukesha Memorial's 77. Thomas More put five of its runners; team Capt. Craig Sobocinski (2nd), Dan Spacek (3rd), Mike Miller (4th), Jeff Fojtik (6th), and Steve Hessill (10th) among the top ten. The Cross Country team, ranked ninth in the state coaches' poll, prepared for the WISAA Class A meet.

Coach Wishowski leads harriers to a 67-6 record.

Senior Mike Miller surprised everyone including himself by finishing second to a Wisconsin Lutheran runner. Craig Sobocinski, who slipped and then fell on the rain soaked course came in fifth with runners Dan Spacek (9th), Rich Sowles (13th) and Steve Hessil (15th). The Cross Country team completed the year with a 67-6 overall record. Pleased, Coach Wishowski noted, "This year was a coach's dream, they gave perfect cooperation and worked to their potential."

An excellent team spirit carried the Thomas More golfers through a rather unsuccessful season. Early in the year captain, Paul Jaeger, put forth his best effort (37) at Brown Deer, a public course rated as one of the best in the United States. The most outstanding match of the season, however, was the victory over an undefeated St. Josephs 164-165. Coming off the win Coach Jim Facette hoped to make the State Tournament. Unfortunately the team was unable to qualify. The Cavalier golfers completed the season with a 4-10 record. Team members Paul Jaeger and Jim Muth finished with the lowest averages, 39.8 and 42.1 respectively.

The Junior Varsity compiled a 3-10 season record. However, Coach Facette believed the young golfers improved throughout the year.

Fine Arts Department Staged An Involved Comeback

Administrators, staff workers and teachers formed an integral part of the Thomas More community. Their actual importance was often overlooked. The Administration offered direction and ensured students of a well-rounded education. Staff workers literally kept the school running. Duties included maintaining the physical plant and communicating with family members. However, teachers made up the very core of Thomas More High School. They encouraged physical and mental development through formal and informal interaction. Their contribution, as individuals and as a whole, was indeed the largest and most influential.

Spiritfest Was An Overall Success

After months of planning and promotion Spiritfest finally became a reality on Saturday, September 18. Game booths, children's rides and assorted food stands were set up in the student parking lot. An auction, live music, Sunday's chicken dinner and bingo (held both days) added to the overall variety of activities. Though rain adversely affected attendance on September 19 over \$15,000 was raised. The goal of unifying the Thomas More community was easily realized.

1) Saturday's crowd; 2) Fr. Breit celebrates Sunday's field mass; 3) Jay Benkowski is carded at Spiritfest.

Homecoming

The opening of Spiritweek, Tuesday, October 5, combined a student "dress up" day with an all school liturgy. Field day, scheduled on October 7 offered such varied events as basketball, football and intramural chess. With a total of 32 points home-room 251 took first place. Concluding the afternoon a faculty team defeated the students in a volleyball game.

1) Summerfield; 2) Andre Thebert finishes the Junior float; 3) The TM band performs during halftime; 4) Seniors Kevin Healy, Paul Smith and Kevin Skoczynski; 5) King Gerald Boll and Queen Diane Teffer.

Friday began with a selection of the "strangest costume" in each homeroom. Though the competition was tough Kevin Healy emerged the winner at the afternoon pep rally. In the evening the football squad took the field against Milwaukee Lutheran. The parade, which featured a Junior float, led the way to Pulaski stadium. During halftime Queen Diane Teffer and her court were introduced with their lettermen escorts. A Cavalier victory (54-20) pleased the large Homecoming crowd. On Saturday, October 9, an excellent band, Summerfield, performed at the Homecoming dance.

1) Seven Juniors perform at the pep rally; 2) Senior Steve Gross with his date; 3) Gerald Brozynski and friend; 4) A Homecoming couple, Kevin Ziolkowski and date; 5) The concessions are checked; 6) One of the night's slow dances; 7) Pre-parade festivities; 8) Arriving with his date, Joe Pas-samani; 9) A view from the floor; 10) A rest during a break; 11) A Field day volleyball game; 12) Tuesday's Mass; 13) In the closing minutes; 14) Greg Richter in an artistic mood; 15) Jeff Biskup.

Cavaliers Performed Best Season; Take Metro Conference With 13-3 Record

When basketball practice began in early November both Coach Mike Fons and his players were enthusiastic about the 76-77 season. Senior leadership combined with the overall quality of the team gave it a winning edge. Opening with their own Thanksgiving Invitational the squad defeated an always tough Milwaukee Tech (51-50). The first conference game, against Pius, featured seniors Jeff Schunk, Gerry Miller, Steve Blaskowski and Capt. Don Stachowiak in the starting lineup. After a controversial loss at the hands of Messmer and a win over St. Josephs the team, on December 17, met St. Catherines. The competition was close with the Angels pulling a 65-62 victory. However, when the Cavaliers soundly defeated Milwaukee Lutheran 72-51 they began a nine game winning streak.

In the victory over Marquette, January 7, Marty Rodriguez fired the determining shot in the final second. By January 10 the team was in first place in the Metro conference race. Preceding a Hilltopper loss (54-60) the squad completed the season with wins over Waukesha Memorial and Dominican. The Cavaliers established a 13-3 conference record and entered the State regionals on February 25. A 67-48 victory over St. Bonavetures led to Sunday afternoon's match up with St. Catherines. The squad played quite well yet the Angels maintained a sufficient lead throughout the game and won 62-40. Although they missed a shot at the State title Coach Fons along with his team were proud of their accomplishments.

Wrestlers Regained Metro Title But Missed Fourth State Championship

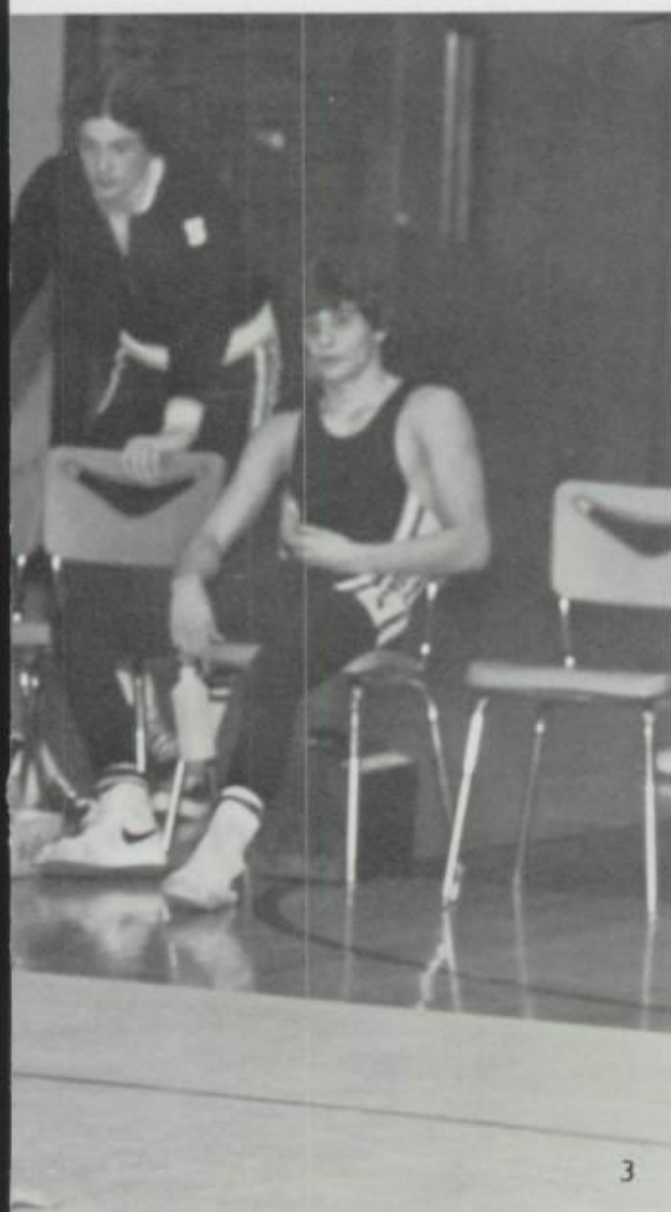

After capturing a third Metro conference title the Thomas More wrestlers missed their shot at a fourth consecutive WISAA championship. The season began in December with impressive wins over Milwaukee Tech, Bay View and conference opponent St. Josephs (34-19). Co-captains Chuck Sobiech and Brian Weber along with heavyweight Joe Meyer were looked to as the steadying force of the team. The grapplers, though bothered by injuries, continued in their winning streak by defeating Queen of Apostles, South Division, Hamilton and Metro rivals Pius (39-14), Dominican (56-3), and Waukesha Memorial (39-15). By this time individuals such as Tom McShane, Mike Baer and Chuck Overeem were recognized as definite team strengths.

The Cavaliers posted a 12-0 record after victories over Messmer (31-22), and Milwaukee Lutheran (38-11). In March the Thomas More wrestlers had produced their best winning percentage in five years (with only a single dual meet loss to Bradford). However, beset with late season injuries the grapplers lost their possession of the WISAA title. Mike Baer was the only conference and state champion from Thomas More. Although the team placed fifth in the tournament Coach Tom Knitter remarked, "We did well in the standings and I can't ask for more than the wrestlers best effort which is what they gave."

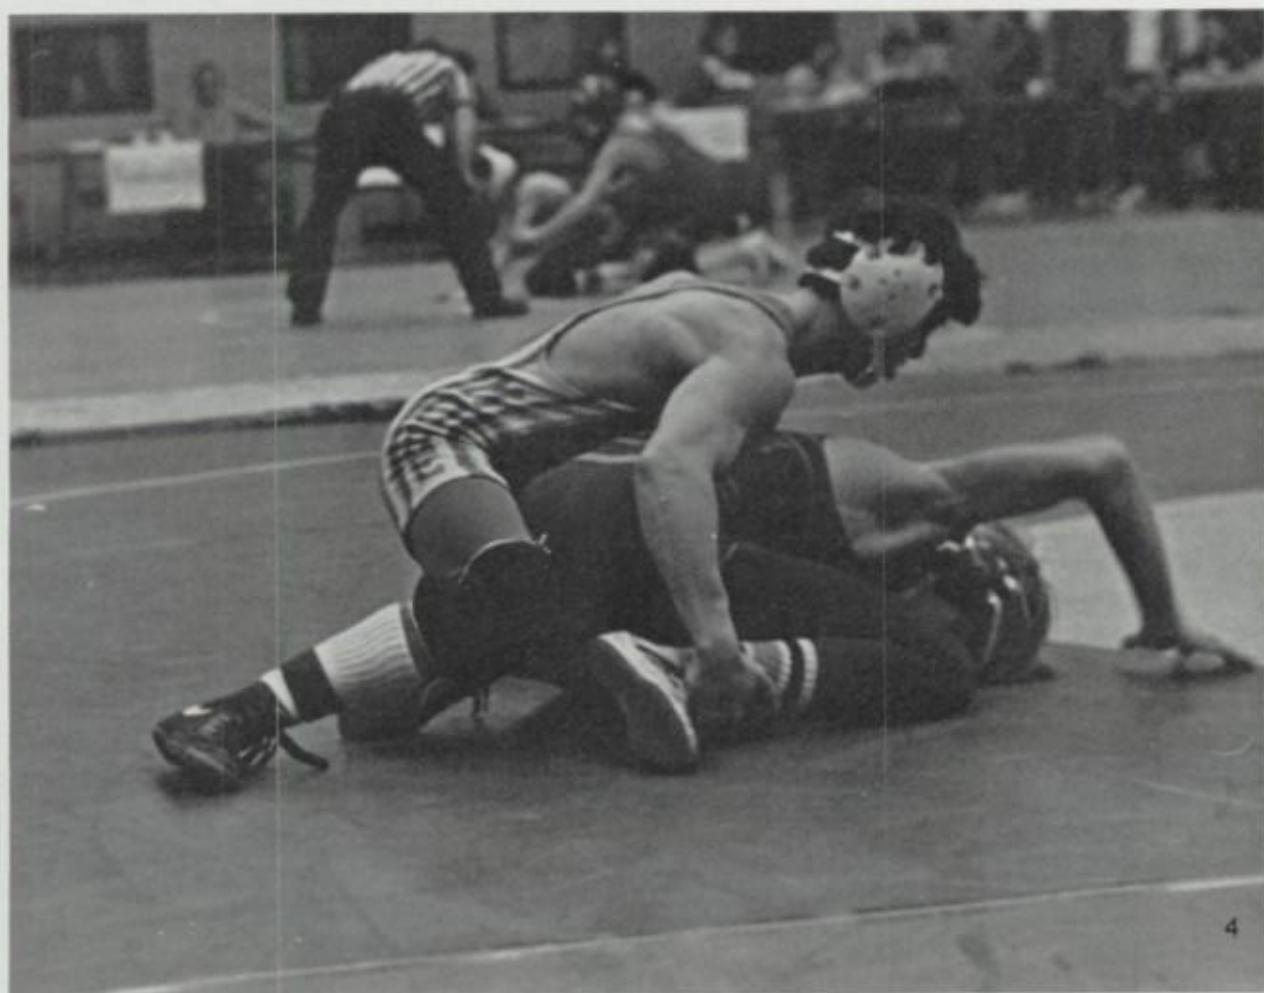

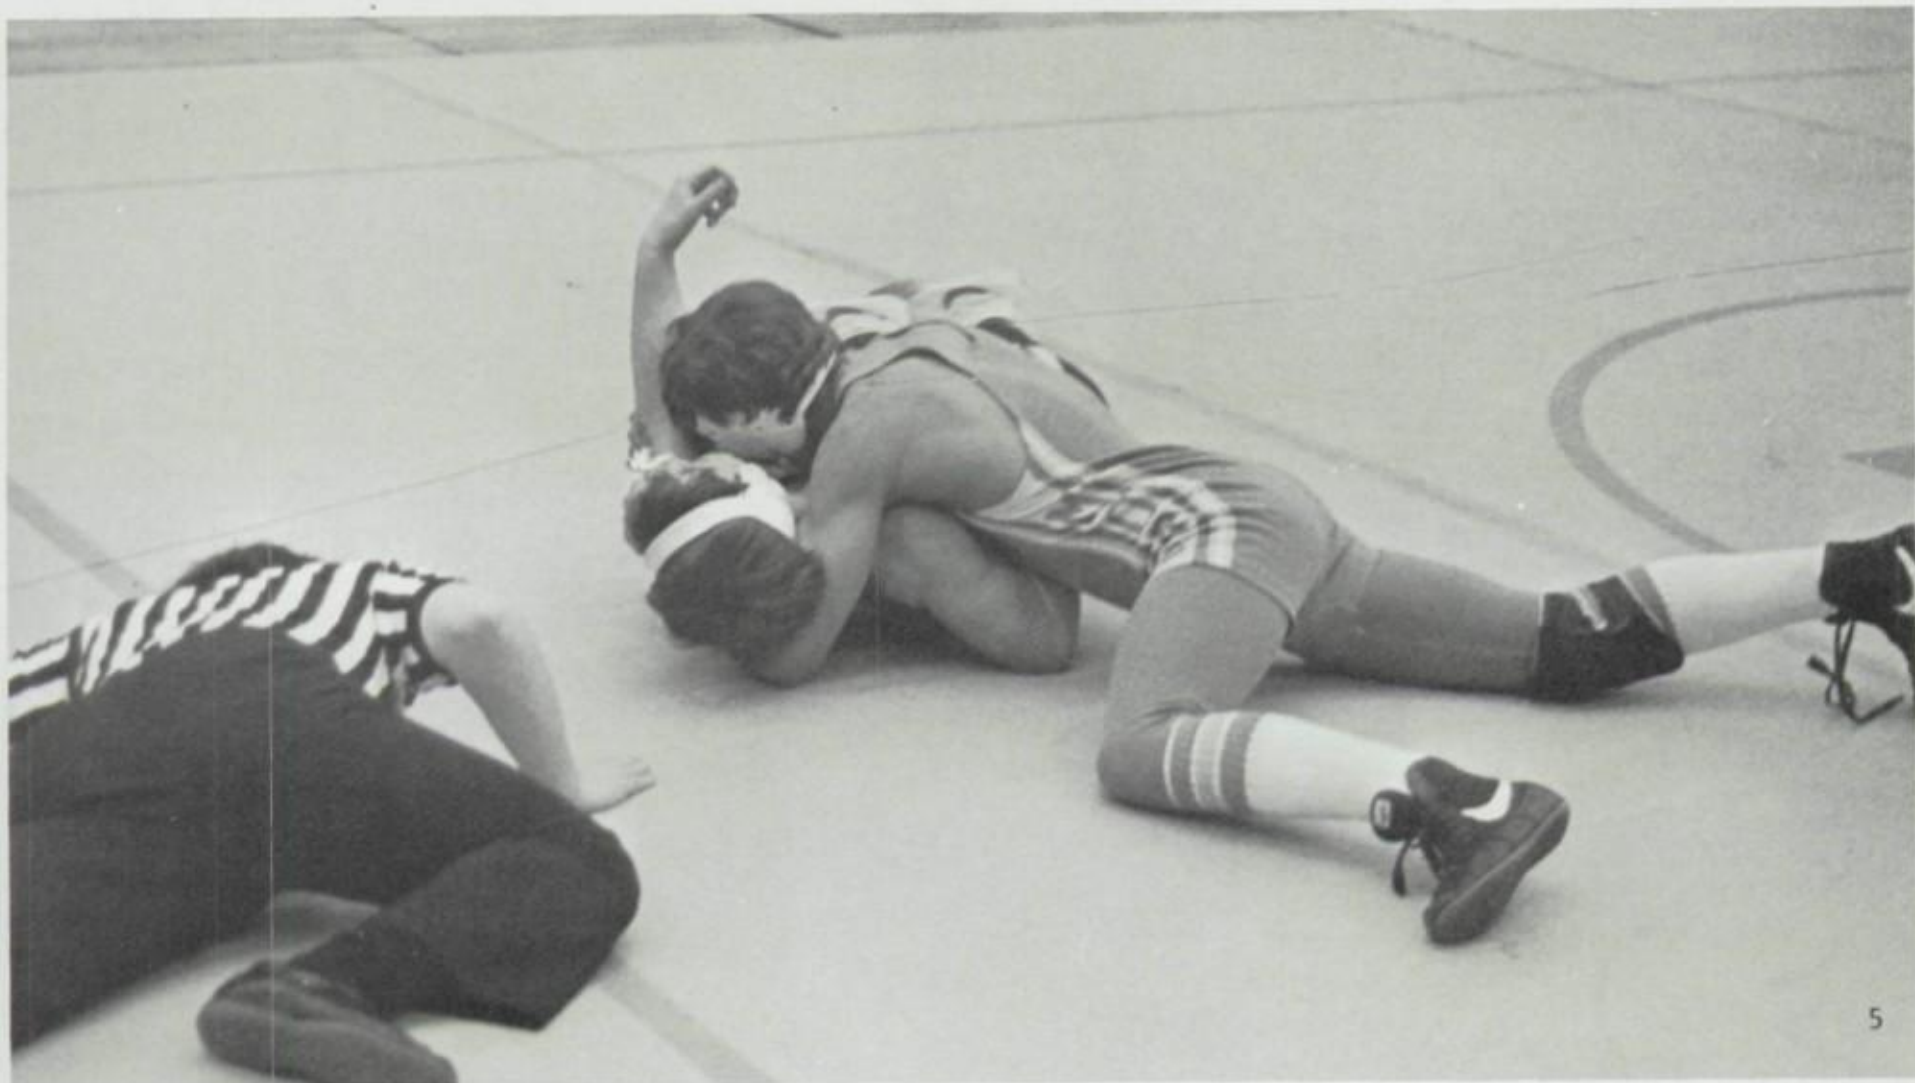

TM posted 13-2 record.

The 1976-77 swim team began their season with a new coach and a large number of experienced athletes. Hard work and dedication was obvious in the first two dual meet victories over Wayland (61-22) and University School (56-27). However, the Cavaliers lost possession of the WPSSC Relays title December 4 when they were defeated by Marquette.

The team then began to pick up momentum as they outscored five of six opponents in a four week period. Outstanding swimmers such as Paul Schlueter in the freestyle and Jon Goljenboom in the breaststroke proved to be definite assets to the group. Under Coach Todd Franke the swimmers placed third and second respectively in the Cedarburg and Lakeshore Invitationals.

A sound win over St. Johns (150-29) and third place finishes in both the Menomonee Falls and Waukesha North Star Invationals resulted partially from the leadership provided by co-captains Jay Benkowski and Mike Maher. After a tough loss to rival Marquette (70-102) several team members left for the Catholic Nationals held at Villanova University in Philadelphia. Out of thirty schools competing the Cavaliers posted an eleventh place mark with a total 33 points. On February 26 the swim team lost their WPSSC Championship title after a two year reign. Thomas More athletes did set state records in the 200 yd. medley relay and 50 yd. freestyle. Although the swimmers did not fulfill all expectations they were proud of their accomplishments. Senior Lee Dziatkiewicz remarked, "We felt we did our best and thats all we could do."

Cheerleaders Encouraged Support

VARSIITY TOP ROW: Judy Boerner, Nancee Ostrenga, Lynn Brozynski; BOT-TOM ROW: Capt. Patti Barczak, Ann Lutz, Monica Cristan, Ann Brozynski, Mary Ross.

An enthusiastic Thomas More cheerleading squad aroused exciting support for the athletic teams throughout their respective seasons. Moderated by Mrs. Elizabeth Fehling the girls used time after school to practice mounts and cheers. With Patti Barczak as captain they followed the football team to its WISAA victory at Titan Stadium and encouraged vocal support from the crowds at home and away basketball games. Later in the year the squad added four male members; Keith Michalowski, Rich Beres, Mike Schauz and Ryan Steger. The cheerleaders also attended workshops and entered competition involving other area high schools.

Sophomores Exchange Ideas

SOPHOMORE DIVISIONAL COUNCIL SEATED: Sam SanFilippo; FRONT ROW: Jess Vega, Jim Mogensen, John Glowinski, Tony Angeli; SECOND ROW: Bro. Bob Rouleau, Dave Barczak, Glenn Lorbiecki, Randy Kies; BACK ROW: Jim Kubash.

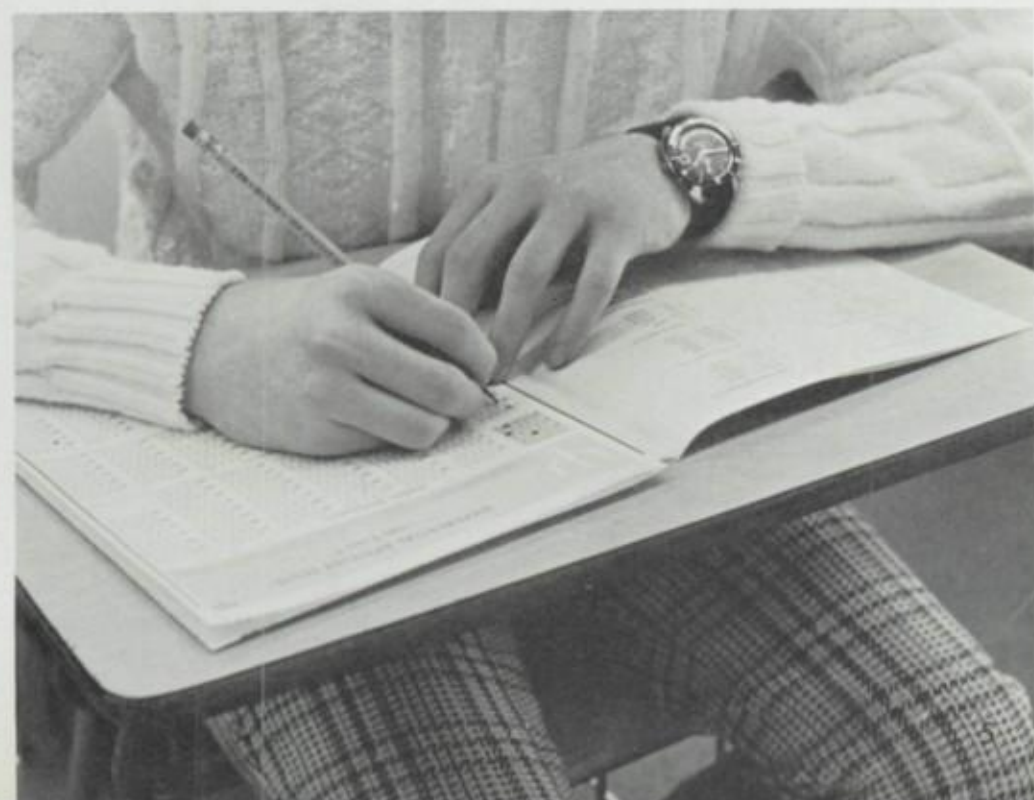

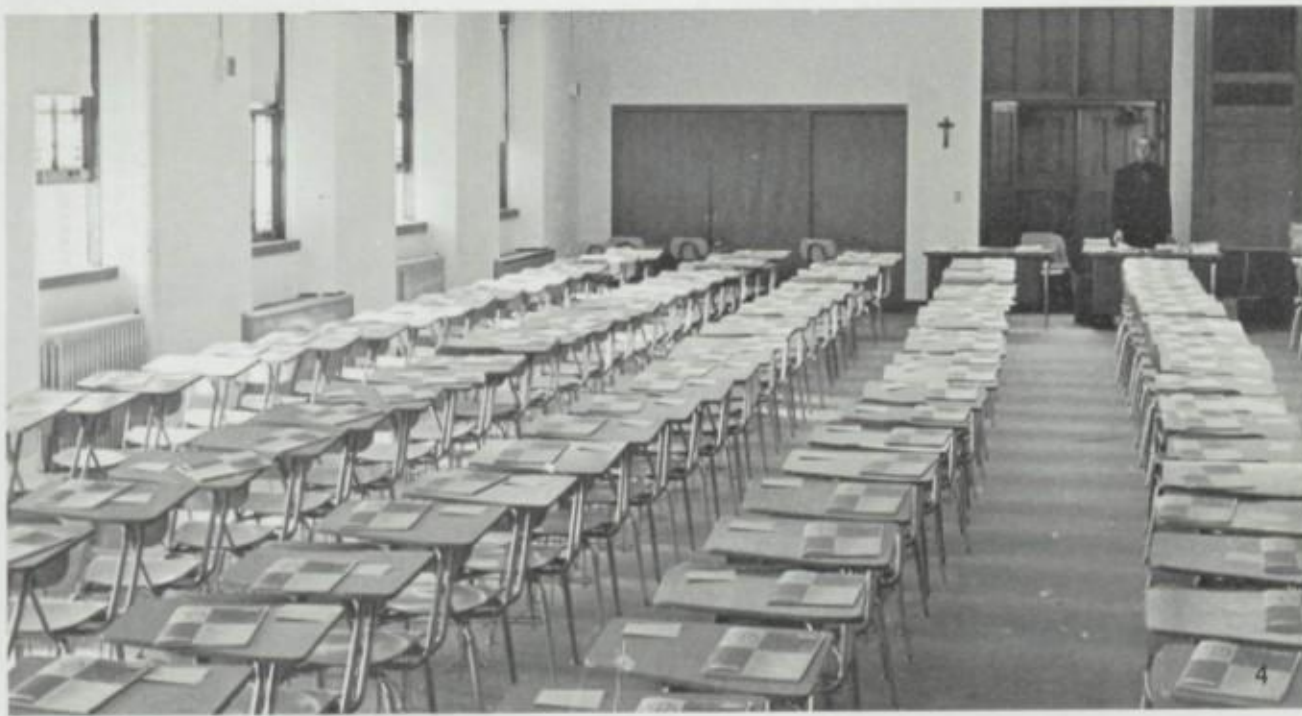

The Sophomore Divisional Council, under the direction of Bro. Bob Rouleau, began the year with the development of several Spiritfest activities. Since the students could not obtain their rings early they turned their energies elsewhere. A new plan for a revised school government was avidly discussed. It was obvious that consistency in attendance kept the group abreast of current issues.

1) An idea is offered at a council meeting.

Testing Brought 188 Future Freshmen to TM

The first activity for this year's incoming freshmen was the Thomas More placement exam. On February 11 over 180 eighth graders from Milwaukee area schools took the test. It was administered by Bro. Ron Weiss and Mr. Tom Frohna of PPS and Bro. Thomas Tessmer.

1) The test begins; 2) Preparations before the exam; 3) Bro. Tessmer surveys the students; 4) Calm before the storm; 5) Verbal reasoning.

Christian Life Week Promoted A Greater Awareness

Christian Life Week, which began on February 28, promoted a greater christian awareness among Thomas More's faculty and students. Following Monday morning's group discussions the school community assembled to hear guest speaker Fr. Laurin Wenig's spiritual message. Throughout the week films such as "Church in the World" and "Tower of Babel" were shown. Views concerning respect of life or the gospel message were exchanged in special interdivisional homerooms. Christian Life Week was climaxed by an all school celebration of the Eucharist in honor of St. Thomas More on Friday, March 4. Pastoral Council director Fr. Alvin McMenamy (who coordinated the activities) was pleased with the positive results.

Mother - Son Breakfast Well Attended

Archbishop William E. Cousins celebrated the mass and delivered an excellent homily at the Mother-Son Breakfast March 6. A meal, prepared by fathers, was enjoyed by the 550 people in attendance. Guest speaker Fr. Richard Sklba, Rector at St. Francis Seminary, expressed a number of ideas concerning Christian principles. The overwhelming response to the breakfast proved it to be one of the Thomas More community's most popular events.

Father - Son Night A Success

On May 16 the Cavalier Athletic Association sponsored a Father-Son Night. Students and their fathers were invited to join in a number of athletic events. Activities including basketball, volleyball, ping-pong, racketball, swimming and futsal were offered. Use of the indoor track was also possible. In comparison with other years the night was a definite success.

Food Drive Organized By Council

The Junior Divisional Council with Moderator Thomas Knitter began the school year discussing various Spiritfest activities and a possible Ring day. As Christmas approached the group organized the annual food drive which benefits local area families. The result was outstanding. In the second semester the council met to revise the Constitution of the Senior Lounge. They also contributed to numerous school events throughout the year.

Baseball Team Tied For Third Place In Metro Conference Race

Thomas More was tied for third place with Messmer as the 1977 baseball season drew to a close. The squad began practice in February. Coach Joe Zolecki familiarized the players with game situations during the gym workouts. The Cavaliers began the year slowly but picked up as they strongly defeated Waukesha Memorial (8-1) and Messmer (8-3). Heavily relied on both as a hitter and a pitcher was team captain Gerry Miller. The squad also benefited from the good offensive and defensive play of seniors Matt Perleberg and Dundee Kelbel and junior Rob Derksen. Pressure began to build after a string of three wins including an outstanding victory over Kenosha Bradford (17-2). Entering round robin competition the team was defeated by St. Josephs (0-1) and then by Pius. However, Thomas More ended the season on a winning note with victories over Hamilton and Messmer (8-4) and a .545 overall winning percentage.

Track And Field Team Placed Third In WISSA State Meet

Improvement among individuals resulted in a competitive 1977 track and field team. Practice began in February as athletes developed their strengths and skills. Early season indoor meets offered the opportunity for Coaches Ray Cinatl, Norbert Wishowski and Mike Fons to view the team in competition. In the first outdoor meet of the year, a triangular, the Cavaliers lost to Marquette (49-66) but defeated Messmer (49-44). It was already evident that team members such as Craig Sobocinski in the 880 yd. and mile runs, Dan Dailley in the quarter mile and John Rydeski in the 100 yd. sprint would definitely strengthen the squad. The next three meets (two of them triangular) proved to be very interesting.

1) Tom Tatera heads over the hurdle;
2) Relayer Mark Sobczak; 3) Going for distance, Tom Dondero.

After a close victory over Milwaukee Tech Thomas More defeated three of four public school competitors. The experience the athletes had gained improved their times and distances. In both the M-club and Cudahy Relays the Cavaliers took second. At the Germantown Invitational the team finished in third place. The final home meet saw a loss at the hands of Waukesha Memorial and a win over St. Catherines. After a surprisingly poor showing in the Franklin Saber Invitational the track and field team placed third in both the Metro conference and WISSA State Meet. As the season drew to a close long jumper Ted Gronski remarked, "We did our best and thats what really counts."

NOTE: Concerning invitationals; the Cavaliers place is given in the left hand column, the first place team's name is given in the right hand column.

An optimistic outlook helped the tennis team to its 11-7 season record. Coach Jim Pokorny based his line-up on players with a great deal of court experience. Steve Treacy and captain John Czajka combined their talents to form a winning doubles team. Also contributing largely to the success of the squad was junior Dave Currier in the first singles position. By May 13 the team had achieved a 10-3 mark placing them fourth in the Metro conference. Although they didn't win the state meet the players were extremely proud of their 1977 season.

Thomas More - St. Marys Band Took First In State Competition

The Thomas More-St. Mary's concert band, directed by Clayton Frounfelker, placed first in Milwaukee district and State competition. This was the highest rating it had ever received. The musicians played 3 selections; "Looking Good" (a jazz march), "Introit and Bravura" and "Fiesta Del Pacifico". A fourth selection had to be sight read. A number of individuals also did well in solo competition. Such success was made possible by consistent practice both at school and at home. The band gained additional experience by performing at various events such as pep rallies and basketball games. A winter concert was also presented by the student musicians.

"Creations II" was a musical program which displayed the talents of the jazz and guitar ensembles. Held May 18 the presentation was dedicated to the memory of Fr. Lawrence Neumann. Excellent music and a warm audience made the evening a definite success.

Staff Sought New Approach

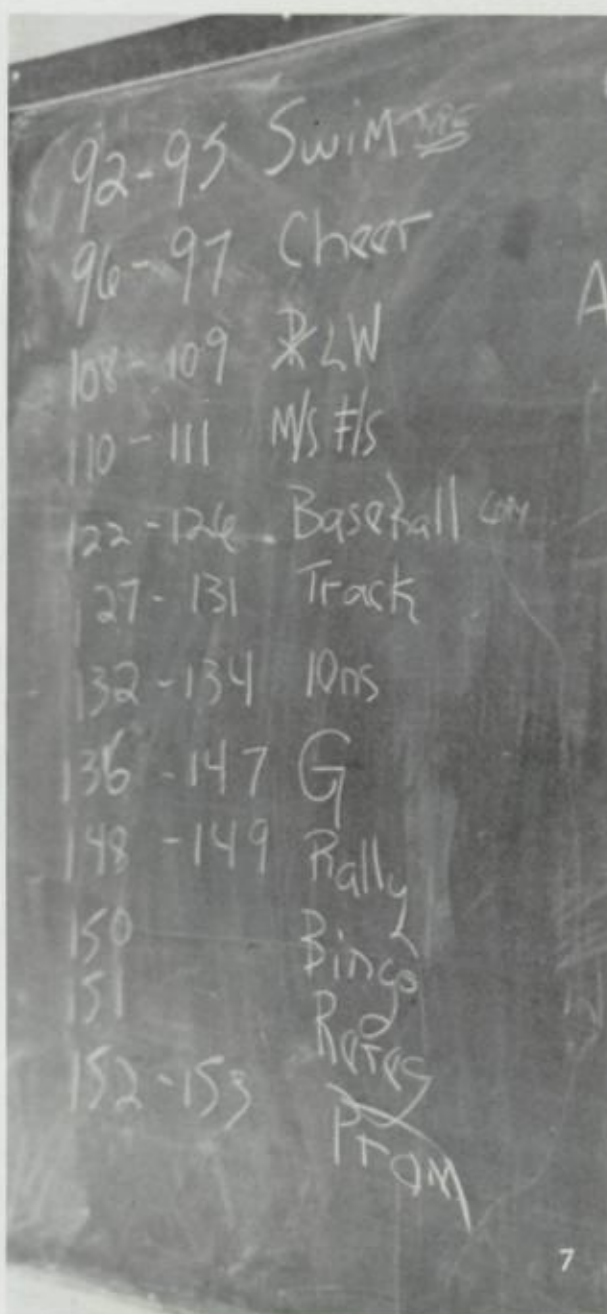

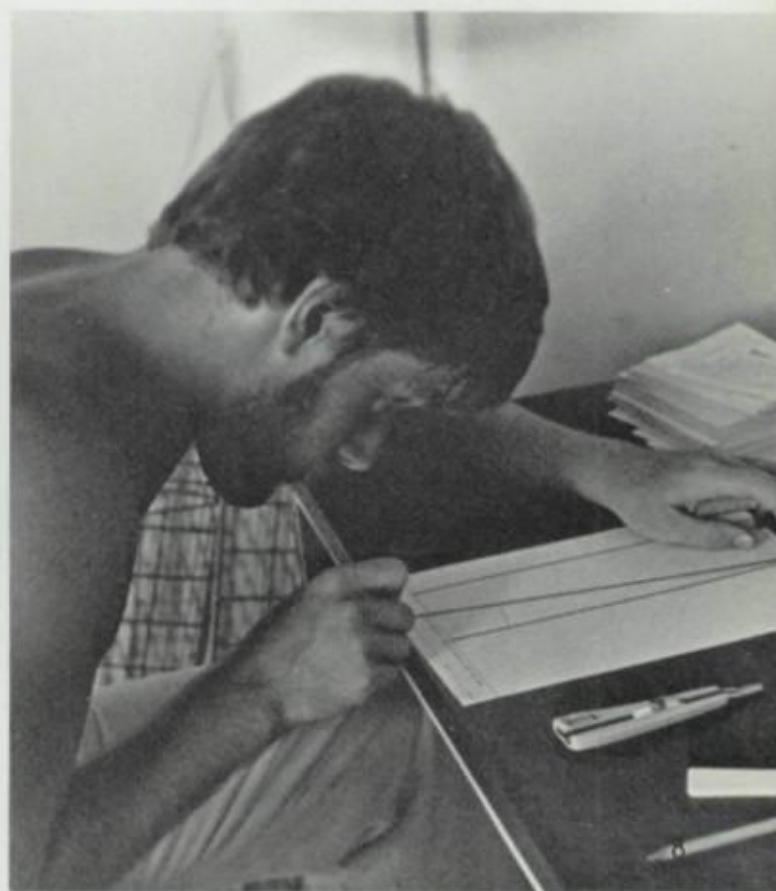

The 1977 Chancellor staff utilized a Dan Fogelberg song ("Part of the Plan") as its theme throughout the book. Full color was also added to the introductory section. Editor-in-Chief Ted Gronski headed a group which possessed many unique talents. Jay Benkowski, who designed the cover, developed a flair for graphics. Junior Keith Michalowski took on the traditional sections of the book including the underclassmen and senior areas. Greg Richter photographed for the annual and negotiated dates for Cilento's services. Handling the advertisements was Business Manager Joe Meyer. Other students; Jim Gawronski, Dave Robinson, Chris Koralewski and Pat Scerpella aided in production. Although the staff met during 5th period they often worked after school and on weekends to complete the yearbook.

Dubbed the "Utopian Room East" room 263 was the center of Thomas More's school newspaper. The staff, headed by Stan Lowe, worked throughout the year in keeping students abreast of current issues. Seniors Mark Muldoon and Mike Maierle assisted in management. Editorials on various controversial topics were written by Dave Cieslewicz. Chris Wodushek and Chris Peppey respectively followed the sport and fine art scenes. Photographer John Bronikowski supplied most of the pictures used in the Utopians 10 issues. The reporting staff was made up of 6 seniors; Brian Nelson, John Berghammer, Mark Karbownik, Mike Hetzel, Mark Stawicki and Paul Szewczykowski. Business manager Tony Kaufman worked with the selling and advertising aspects of the Utopian. Cartoonist Chris Kocaja also joined the group early in the year. The entire staff did a commendable job in producing an interesting publication.

Thomas More's dances, including Homecoming and Prom, were successful because of the good attendance they received. Though a number of problems arose at the beginning of the year they were overcome. Bands such as Iden Seth and Calico Bay played to crowds of Thomas More students and girls from local area high schools. The gatherings offered the opportunity to socialize and relax in a familiar atmosphere.

The rallies of the 1976-77 school year were held in support of the fall and winter athletic teams. Student skits were often presented. The Cavalier cheerleaders also performed for the audiences.

Assemblies were coordinated by PPS Director Tom Frohna. Each one was a change of pace; from the pianist Steve Swedish to a display of hypnotism. A number of all school liturgies were celebrated. Most noteworthy were those set up during Christian Life Week.

Bingo! The Cry Of Success

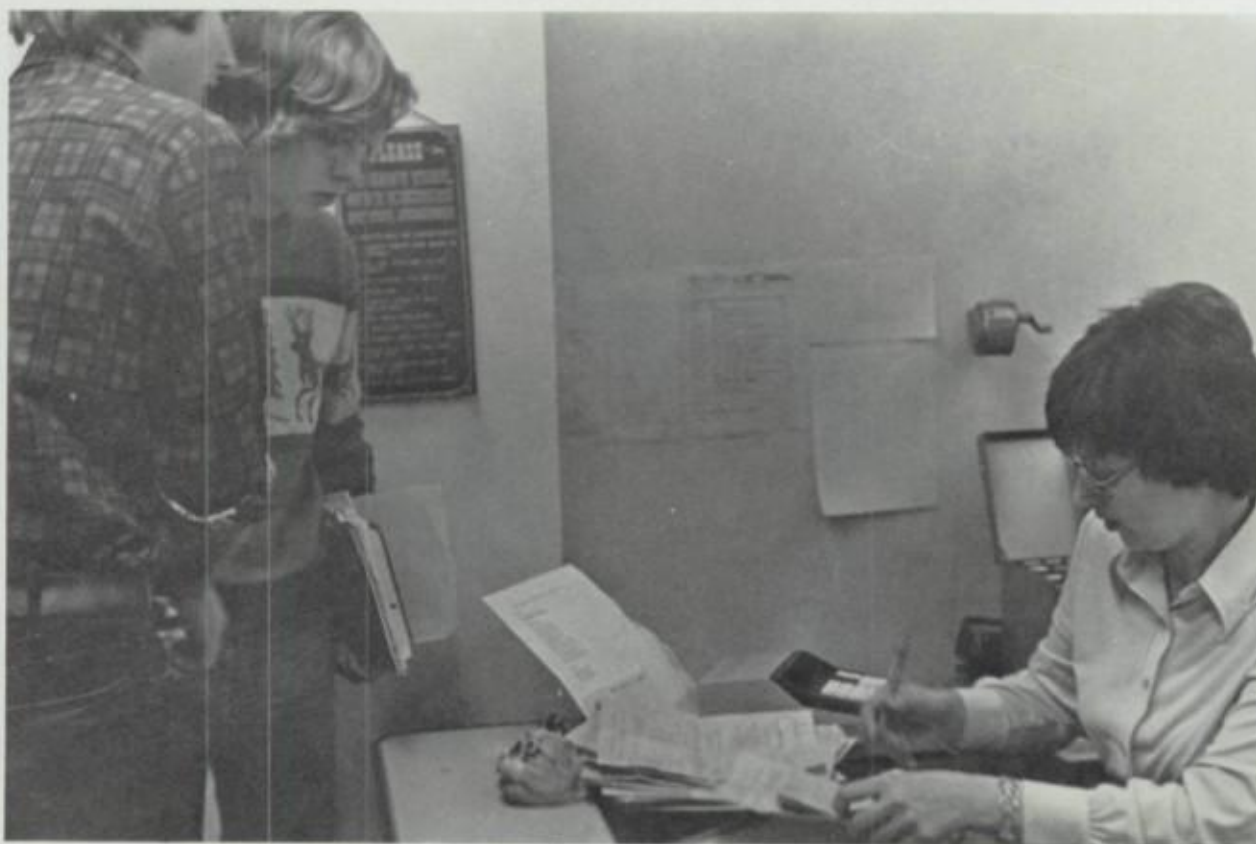

Bingo was a source of both entertainment and income throughout the 76-77 school year. Every Thursday large crowds filled the cafeteria and library. \$1,000 in prizes was awarded for the 24 actual games. A concession stand was also in operation. Pleased at the turnouts Bingo director Bro. George Haarman estimated that the event netted between \$800-\$900 per week. Apparently the game was popular with workers and players alike.

Students Chose Directions

February 23-25 was set aside as the re-registration deadline for the fall semester. Freshmen, sophomores and juniors were able to choose their classes but the actual scheduling process was changed. The Epic Socrates program was used in arranging the courses for the 77-78 school year. This was done to offer the student a better chance in getting his preferred classes.

Thomas More's Junior-Senior Prom was held on Friday, May 6. Over one hundred couples listened and danced to the music of Calico Bay at school. The 1977 theme song, "Help Me Through The Night", was played as Dan Metrie and Judy Wasikowski were crowned king and queen. Attendants of the court were also announced by Toastmaster Ken Wanasek. By midnight most of the crowd had moved to the Post Prom at Ramada Inn's Regency Ball Room. After a six course meal prom-goers enjoyed the sounds of the second band, Amber Jack.

Dennis Andrews then introduced the students who received awards for honor roll standing or participation in an extra-curricular activity. Plaques were presented to band members by Music director Clayton Frounfelker. A number of special awards were also given to the Cavalier cheerleaders. A social in the cafeteria followed Principal Bro. Joseph Grieshaber's closing remarks.

Both students reflected on their past four years of high school and the impression it had made on them. Senator Warren D. Braun then gave the commencement address. Principal Bro. Joe Grieshaber offered his remarks about the graduating class and presented various scholarships and grants along with Thomas More Awards given to Craig Sobocinski, Ted Gronski and John Breghammer. Graduation; A Bridge Crossed

SALUTATORIAN Mark Muldoon and

"Our graduating today, may seem like a monumental part of our life, however our leaving of Thomas More is just another bridge crossed toward the achieving of our goals. Today's crossing is not the first, nor will it be our last. It is however an important bridge. In the next few years, we will be faced with many difficult decisions and we hope that, the things that we saw, acquired and learned in our high school crossing, will be beneficial in dealing with these decisions."

Thomas More...

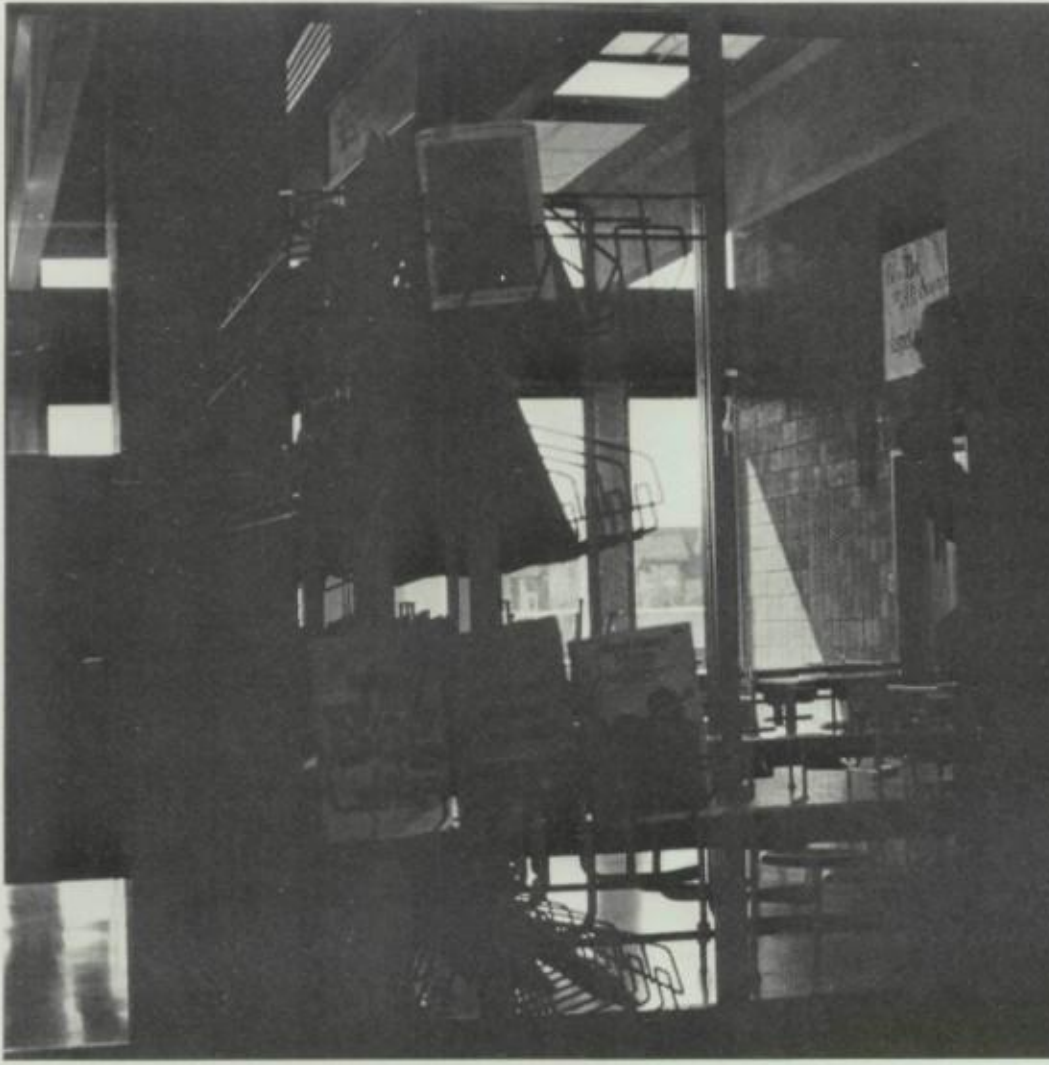

Part of the Plan

A yearbook is a special kind of mirror. It is a reflection of both the past and the present.

In producing the Chancellor we have tried to achieve two objectives. The first was to paint a picture of Thomas More High School using words and photographs. The second task was to incorporate our theme, a part of the Plan, throughout the book. Only you can determine our success.

ONE OUT OF MANY

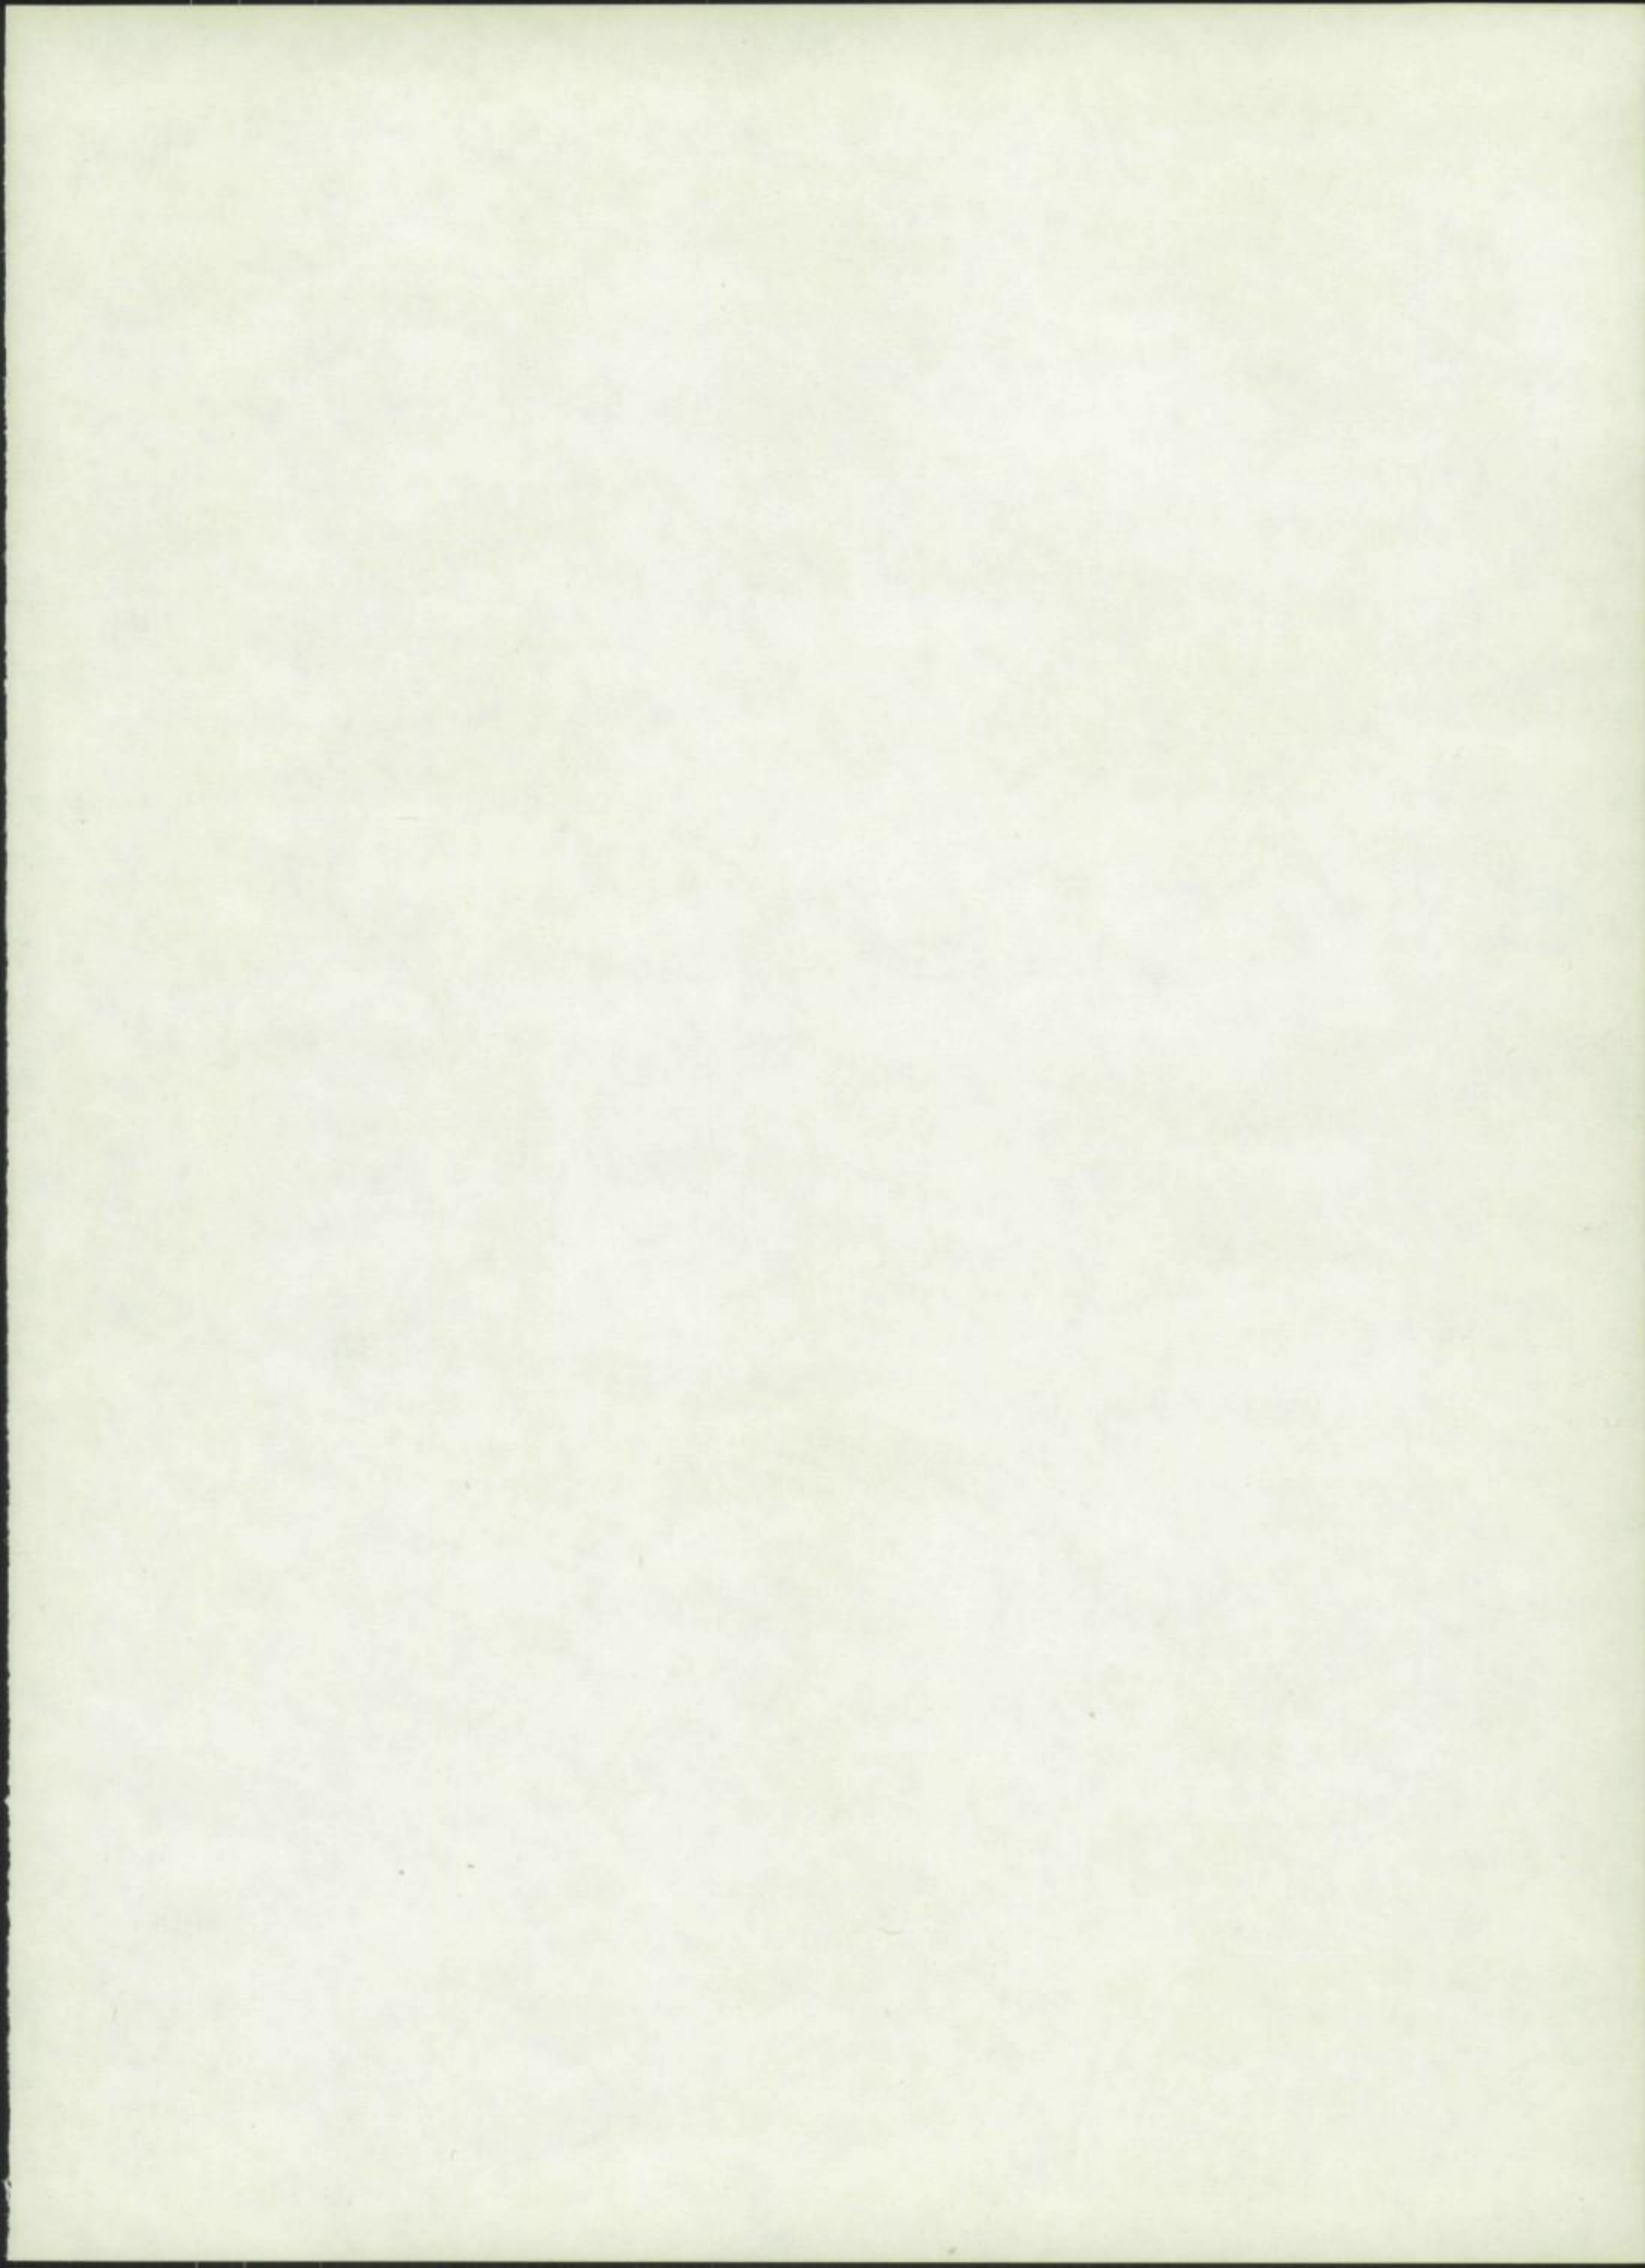

In the words of the Beatles it has been a long and winding road. I would like to take this opportunity to thank American Yearbook representatives Paul Russell and Gary Byrne. I also express my gratitude to Bro. Bob Rouleau for his needed advice. And special thanks to Dan Fogelberg for his permission to use his fine song, "A Part of the Plan" as our theme.

A PART OF THE PLAN

WORLD EVENTS

1. **7/15/76 AMY'S ON TOP** — Jimmy Carter holds daughter, Amy, as his wife, Rosalynn, peers over his shoulder during the Democratic National Convention in New York City. Carter had just delivered his acceptance speech as the Democratic presidential nominee.
2. **7/20/76 SCHOOL CHILDREN KIDNAPPED** — The van in which 26 school children and their bus driver were held captive is slowly pulled out of its hiding place in a rock quarry in Livermore, Calif.
3. **10/7/76 MAKING A POINT** — President Gerald Ford emphasizes a point during his second debate with Jimmy Carter at San Francisco's Palace of Fine Arts Theater. Ford's efforts, however, were not successful as he and running mate Sen. Robert Dole lost the November general election to Carter and his running mate, Sen. Walter Mondale.
4. **7/13/76 AFTER KEYNOTE SPEECH** — Barbara Jordan, U.S. representative from Texas, acknowledges plaudits of the Democratic National Convention after delivering one of the keynote speeches during the convention.
5. **11/11/76 CALDER DIES** — Alexander Calder, one of the most influential sculptors and artists of the 20th Century and the originator of mobiles, died in New York. He is shown working on his tribute to the nation's Bicentennial celebration.

10/20/76 CAPSIZED FERRY — A would-be rescuer carefully walks the hull of the ferry George Prince after it collided with a tanker and sank in the Mississippi River at Luling, La. Twenty survivors were pulled from the river and 50 persons are reported missing.

1/29/76 NEW DELHI, INDIA — Prime Minister Indira Gandhi does a folk dance with a troupe from Mizoram in northeastern India. The dance was part of the annual Republic Day celebrations marking the anniversary of the 1950 constitution.

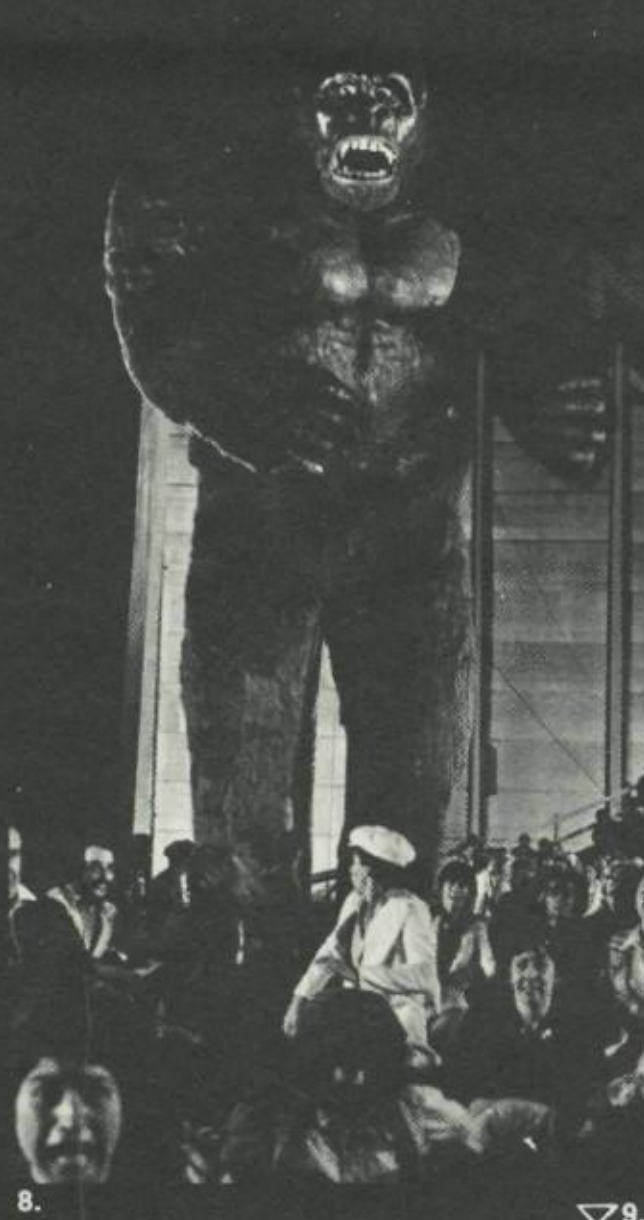

12/8/76 STAMPEDE! — A terrified crowd panics and runs to escape from the awesome 40-foot monster, King Kong, after he breaks out of the cage in which he was being exhibited. Filming of Dino de Laurentiis' re-make of "King Kong" concluded recently in Hollywood, with release of the movie scheduled for Christmas time.

4/2/76 TOKYO — Former Prime Minister Kakuei Tanaka holds a microphone as he addresses a meeting of the ruling Liberal Democratic Party members. He said he had no connection whatsoever with the Lockheed payoff scandal.

9/8/76 UP GOES THE RUNNING FENCE — Motorists zip along Highway 101 (in foreground) as workers put up a section of artist Christo's running fence north of Petaluma, Calif. The 18-foot high nylon fence will stretch over 24 miles of rolling hills and farms to the Pacific Ocean.

7/4/76 RAID RESCUES PASSENGERS — Hundreds of relatives and well-wishers came to Ben-Gurion Airport near Tel Aviv to celebrate the return of hijacked Air France passengers rescued in a night raid on Uganda.

2/13/76 HAMILL TRIUMPH — Dark-haired American skater Dorothy Hamill, of Riverside, Conn., gives a dazzling four minute performance in the women's figure skating event of the 12th Winter Olympic Games in Innsbruck. Ms. Hamill went on to win the gold medal with a near perfect score.
